

INDIAN  
CHALLENGER

2021

# SINCE 1901, INDIAN MOTORCYCLE HAS BEEN THE CHOICE OF RIDERS WHO MAKE THEIR OWN RULES

Indian Motorcycle believes there are many paths to finding your perfect ride. So we build a wide range of premium American V-twin motorcycles, equally inspiring to experienced riders and to those just entering the sport.

Our riders value a brand that is unique in motorcycling. The iconic design of our bikes combined with modern features enable them to stand above the crowd. As a brand who embraces a pioneering spirit in everything we do, we're proud to welcome any rider who shares the confidence to chart their own path.

## INDIAN CHALLENGER

With modern, state-of-the-art technology and bold design, Indian Challenger redefines performance in an American V-twin. The PowerPlus liquid-cooled V-twin engine dominates with a class-leading 122 horsepower and 178 Nm of torque. A striking combination of American muscle, premium components and long-haul comfort deliver a truly unmatched riding experience.

All Indian Challenger models feature a host of ride-enhancing amenities like full LED lighting, keyless ignition, remote-locking hard saddlebags, three distinct ride modes, cruise control and USB charging for effortlessly crushing miles. Indian Challenger lets riders experience firsthand what quality craftsmanship feels like in a thoroughly modern motorcycle whose class-leading performance makes no compromises on style or comfort.

Note: North American models shown in all imagery.

## INDIAN CHALLENGER DARK HORSE

Precise attention to detail with matte paint and premium blacked-out finishes front-to-back. Indian Challenger Dark Horse also features Smart Lean Technology for next-level function and safety. Shown in White Smoke with accessories.

## INDIAN CHALLENGER LIMITED

Confident, muscular styling features a striking contrast cut 19" front wheel and open fender with an illuminated headdress. Color-matched fender close outs and chrome highway bars add style and comfort for the long haul. Shown in Ruby Metallic.

## CHASSIS-MOUNTED FAIRING

Aggressive fairing design with full LED lighting and menacingly styled running lights provide impressive wind protection and stability, leading the way in both style and function.

## INDIAN CHALLENGER DARK HORSE

Designed for riders who make no compromises and want the next level in performance. State-of-the-art Smart Lean Technology includes dynamic traction control, ABS with cornering control and drag torque control to enhance safety by tuning the performance based on the motorcycle's lean angle. Standard on Indian Challenger Dark Horse and Indian Challenger Limited. Shown in Bronze Smoke.

## POWERPLUS V-TWIN ENGINE

Beautifully crafted and detailed, our biggest liquid-cooled engine packs a best-in-class 122 horsepower and 178 Nm of torque for smooth, exhilarating power.

## PREMIUM COMPONENTS

Inverted front suspension, race-spec radially-mounted Brembo® brakes provide superior stopping power, while performance touring Metzeler® Cruisetec® tires offer supreme traction.

## UNMATCHED INFOTAINMENT

The miles fly by thanks to Ride Command with customisable colour touchscreen and Apple Carplay® integration. Standard on Indian Challenger Dark Horse and Indian Challenger Limited.

## REMOTE-LOCKING HARD SADDLEBAGS

Waterproof saddlebags protect against the elements and with over 68 liters of storage, give you all the space you need to extend trips. Standard on all Indian Challenger models. Shown with accessories.
